## June 2017

### How to tell if your diversity and inclusion strategy is on track?

How do I know if our diversity and inclusion (D&I) strategy is on the right track? This has been a very difficult question to answer for many D&I professionals, especially when asked by a senior leader.

The answer to that question in the past has been hard to quantify and it may have depended entirely on who you asked. But there really is a good way to evaluate this and CCDI can help you in a number of ways. There are two tools you can use.

## Success Stories - Toronto Transit

### Commission

With the goal of embedding diversity and inclusion into all aspects of its business, the TTC developed the Diversity and Inclusion Lens and Toolkit to promote better decision and policy making. The expected result was more inclusive and equitable outcomes for employees and customers. Click [here](#) to find out the final outcome.
