

FEBRUARY 2017

Our vision is a Canada without prejudice and discrimination – a country that celebrates diversity, difference and inclusion. CCDI is proud to share with you our latest initiatives, events, and resources dedicated to driving the diversity conversation here in Canada.

## CCDI works with law firms to learn diversity statistics

Canadian Lawyer Magazine recently featured CCDI Diversity by the Numbers: The Legal Profession report. The report found that, while the legal profession has focused on diversity over the last few decades, racialized and female lawyers still face barriers to advancement into leadership and equity partner roles. Each participating firm received an outline of actions that can address their diversity and inclusion issues.
