**Professional Development**

**Elevate**

We are pleased to partner with You to offer, Elevate.

The visible minority population in the GTA exceeds 50% and yet their representation at senior levels in the broader GTA is only 4.5%. Many firms are tackling this issue in a wide variety of ways. However, while companies make progress, there are steps that individuals can take to advance their careers by growing leadership skills.

Elevate is a 2-month coaching program geared toward Visible Minority advancement in the corporate Greater Toronto Area (GTA). This program is designed to encourage those who identify as a Visible Minority to be proactive, take charge of their professional career, and “elevate” themselves to realize their true potential.

First cohort begins April 4, 2016.

**Centennial College Certificate: Leadership & Inclusion**

Are you a leader or manager interested in learning more about the practical value of connecting diversity and leadership, but not sure where to start? The CCDI and Centennial College have joined forces to create the perfect online course for busy working professionals – like you.

Next cohort begins: April 14, 2016

Free Virtual Open House dates: March 9, & March 21

**CDI Blog:**

**What’s holding you back? by JoAnn Lauterbach**

What can we do to make sure we aren’t holding ourselves back while remaining authentic to ourselves? That’s the question at hand in our latest guest CCDI Blog by Elevate program developer and presenter JoAnn Lauterbach.

Thank you for keeping up with us here at the CCDI. If you would like to connect with a CCDI Team Member regarding becoming an Employer Partner or Individual Practitioner, if you aren’t already, we encourage you to contact us at any time.

Until we meet again in April!
